Dear Mr. Slutsky,

On behalf of WXEL, I would like to thank you for your generous donation of four of your unique pieces of artwork. Your items, which you valued as follows, will most likely be offered as Silent Auction items at various Garnet Society events.

221 Rainbow Pipes, 223 Zig Zag Rainbow , 224 My Color, 227 My Flower Garden

The WXEL Garnet Society is our high end donor society; their events are attended by the more affluent in our community. In between these events, any artwork which is not taken will be mounted in our studios in Boynton Beach. We will post a note indicating your donation and that they are for sale to the public. Much of the monies raised by the sale or auction of your artwork will be applied to WXEL's Ready to Learn outreach, PSS Kids Programming and classical music programming.

WXEL is a 501 (c) 3 non profit organization. If you have any questions about the tax deductibility of your donation, please consult your tax advisor. Again, thank you for supporting WXEL
